

Heritage Dental Lab Clients already know of our commitment to satisfaction and 'going the extra mile.'

One way in which we demonstrate this is by inviting our Clients' patients to visit our facility for a custom shade:

For your convenience (as well as theirs), we'd like to share our simple procedure with you:

It's as easy as 1-2-3!

1. If the patient is bleaching please ask them to wait at least 10 days after bleaching before scheduling their reservation.
2. Ask them not wear lipstick prior to their visit.
3. Invite your patient to call us at 847-690-1810 to make their reservation for a Custom Shade.

Appointment hours are from 7:00 a.m. until 3:00 p.m. Monday through Friday. We are located In a 4 story brown brick building 2 lights East of Arlington Heights Road on Algonquin Road in Arlington Heights.

We look forward to seeing your patient soon!
