

Special Opportunity For General Dentists or Specialists

Heritage Dental Laboratory now offers powerpoint presentations for Study Clubs, Dentists and staff or dental specialists for their referring clients...FREE of charge by special appointment.

We have a variety of topics:

- “A Comparison of All-Ceramic Restorations, including CAD/CAM, Zirconia, Pros – Cons and Cement Systems”
This seminar is updated every 3 months for Dentistry’s advances in technology.
- “The Science of Shade Taking”

***To make an appointment...please call Anna at 1-847-690-1810
or register on-line: www.HeritageDentalLab.com***
